

Dear Friends of Bright Start,

We are getting ready to start another new school year and thinking about the supplies we use every day. Several people have asked about a wish list for Bright Start and the possibility of making donations to the program. This time of year is particularly good to stock up on school supplies as they are all on sale. So, we have put together a list of items that would be very helpful in the classroom. Perhaps as you shop you might pick up some things for us.

We also love getting donations of gently used toys or books. If you are cleaning out a toy room think of us. Nothing goes to waste. If it is something we can't use we pass it on to Good Will or the swap shop at the Transfer station.

#### WISH LIST FOR BRIGHT START
